KLF - Module 2.2 Notes

Welcome - Growing in Your Identity: Orphan to Adoption

The hope of His calling is **eternal life**, and that life **begins now**. You have a destiny and calling to accomplish **specific things for the Kingdom** in this life.

Key Truths:

- Your inheritance is **among the saints**—we need each other to thrive.
- Leadership and ministry are **not meant to be done alone**; growth happens in community.
- The **power of His resurrection** lives in you. Challenges and trials will come, but **Christ in you is the hope of glory** (Colossians 1:27).

A. Embracing Your Identity in Christ is a Process of Replacing Lies with Truth

- In Christ, you are already **blessed with every spiritual blessing** (Ephesians 1:3).
- You are **chosen, holy, blameless, and beloved** in Him.
- You are **no longer an orphan**, but have received **the Spirit of adoption** (Romans 8:15).
- Your identity is **not earned but received**. You are a **new creation** (2 Corinthians 5:17).

Believing and acting in confidence of these truths will transform how you live and lead.

B. Salvation is Not Just About Going to Heaven, But Bringing Heaven to Earth

- You have been **redeemed by His blood and forgiven**.
- You are being **shown the mystery of His will**—your purpose is unfolding.
- You are **empowered by the Holy Spirit** to be a **world-changer**.
- Leadership is maximized when we **connect with the Holy Spirit** and walk in partnership with God.

C. Three Things You Must Know to Embrace Your True Identity (Ephesians 1:15-23)

1. **The Hope of His Calling** – Understanding that your **destiny and purpose** are divinely designed.
2. **The Riches of His Inheritance** – Recognizing that you belong to the **family of believers** and share in God's kingdom blessings.
3. **The Power of His Resurrection** – Knowing that you are **equipped with authority and power to overcome obstacles**.

Reflection Questions:

1. Do you feel like a new creation? How can you activate your faith to believe this?

2. Do you currently believe you have the ability to change your world?

3. Have you thought about your destiny? Where do you believe God is taking you?

Activation:

Take time to reflect and write down the destiny and calling you believe God has planned for your life.

Write a letter to Jesus thanking Him for your salvation and the identity He has given you.

Understanding your identity in Christ changes everything. Walk in the fullness of who you are meant to be!
