Welcome - Identifying Your Gifts and Wiring

God has uniquely designed each of us with specific gifts that shape the way we lead and serve. Recognizing and developing these gifts will help us walk in our calling with clarity and effectiveness.

A. We Are His Work of Art

- When we get saved, God imparts spiritual gifts for us to use in partnership with the Holy Spirit.
- Ephesians 2:10 says we are His workmanship—His masterpiece in progress.
- Our lives may feel like a tangled tapestry from our perspective, but God sees the beautiful design He is creating.

B. Ephesians 4: Ministry Gifts - What You Do, How You Interact

- These gifts express the ministry of Christ through us in the world.
- Your ministry gifts influence how you interact with people and the world around you.
- Understanding these gifts helps align your leadership with God's purpose.

C. Romans 12: Motivational Gifts - How You Do It

- These gifts shape the way you **approach tasks, make decisions, and relate to others**.
- Your **motivations and natural tendencies** are often rooted in these gifts.
- Recognizing them allows you to **lead authentically** and with greater confidence.

D. 1 Corinthians 12: Manifestation Gifts - How God Moves Through You

- These are **supernatural gifts given by the Holy Spirit** to operate in ministry.
- Every believer has access to these gifts as the Holy Spirit moves.
- While we may function in all at different times, we often operate primarily in **one to three of them**.

E. These Gifts Are Not for Show or Self—They Are to Bless Others

- God designed you uniquely, and no one has the same combination of history, personality, and gifts.
- Leadership thrives when we **respect and collaborate with others' gifts** instead of resisting them.
- Developing your gifts is about **serving and strengthening others, not self-promotion**.
