## KLF - Module 4.3 Notes

### Welcome - The Leadership of the Holy Spirit

Kingdom leaders must be led by the Holy Spirit. His role is to guide us into all truth, comfort us, lead us, and empower us for Kingdom work.

#### A. Godly Leaders Need to Follow the Leading of the Holy Spirit

- Jesus instructed His followers to wait for the Holy Spirit's power before stepping into their mission (Acts 1:8).
- The Holy Spirit directs us through:
  - The **Word of God**
  - **An internal voice** or conviction
  - **Prophetic words** and wisdom from others
  - **Circumstances**
  - **Dreams and visions**
- Being filled with the Holy Spirit strengthens leadership by providing **wisdom, boldness, and discernment**.

#### B. Wait on the Lord for His Presence and Power

- The Holy Spirit has already been given to us, but we must actively **seek His presence**.
- Ephesians 5:18 – "Be filled with the Spirit." This is a command, meaning we must **continually seek Him**.
- Waiting on the Lord is an **active process**—prayer, listening, and being in the Word.
- Being filled with the Spirit empowers us for **greater works in leadership**.

#### C. We Have Power and Authority

- Power: The **God-given ability** to accomplish Kingdom work, such as preaching the gospel, healing, deliverance, and ministering in spiritual gifts.
- Authority: Comes from **Jesus' name** and our **identity as His followers**.
- We must act within the **authority given to us** and **exercise the power of the Holy Spirit**.
- Effective leadership requires full reliance on the **Holy Spirit's guidance**.
