## Module 8 Worksheet:

---

### Module Summary

In Module 8, you explored the importance of cultivating a strong and intentional culture in your leadership. This module emphasized defining core values, setting priorities, and fostering practices that align with your vision. You also learned about the concept of concentric culture and how to integrate values into daily actions to build a cohesive and impactful community.

### Key Takeaways

- Core values are the foundation of an organization's culture and guide decision-making.
  - Priorities and practices must align with values to create a thriving culture.
  - Concentric culture starts with personal alignment and expands outward to influence others.
- 

### Reflection Questions

1. What are your core values, and how do they influence your leadership decisions?

"As a man thinketh in his heart, so is he." Reflect on how your values shape your leadership approach.

---

---

2. In what areas of your leadership do your practices align with your values? Where is there room for improvement?

"Faith without works is dead." Reflect on the consistency between your actions and beliefs.
